August 2018

As you are aware, the Boonton Township School District disapproves of harassment, intimidation and bullying in all its forms and considers it a serious offense. Therefore, in accordance with New Jersey State law and the district's Board approved Harassment, Intimidation, and Bullying Policy, all matters of a harassment, intimidation and/or bullying nature will be thoroughly investigated by the school's Anti-Bullying Specialist and Anti-Bullying Coordinator.

All school employees and volunteers, are trained annually in the area of HIB and professionally and ethically obligated to verbally report alleged violations of the school's HIB policy to the administration.

Upon receipt of a HIB report, the school's Anti-Bullying Specialist and Anti-Bullying Coordinator will conduct a thorough investigation prior to making a determination, as to whether the incident rises to the level of a HIB infraction.

The Rockaway Valley School's HIB reporting form can be downloaded from the school's website under the "For Parents Tab" at [www.rvsnj.org](http://www.rvsnj.org). In addition to the reporting form, there are other resources for parents to review regarding HIB.

It is imperative that all members of the Boonton Township School District learning community maintain open lines of communication and work collaboratively toward preventing harassment, intimidation, and bullying.

On behalf of the RVS administration and staff, we greatly appreciate your support in this matter

Sincerely,

Dr. Christian Angelillo
