

HSA-April 9th Meeting

Dr. A report- two give back days...closed 4/22 and 5/28. District t calendar was approved for next year. Worked closely with Mountain Lakes, days off are the same. We added a day over February break. Week before easter off for spring break. 5 Emergency closing days built in for next year. First give back day will be the Monday after Easter.

Started a school based safety committee. Joined by members of police today to discuss different ways to drill students and teachers on lock down drills. To be ready for unstructured times...recess, lunch, in between periods...so they know what to do. Different drills during the day but just certain parts of the building...not the whole school at once. Will send a letter to inform everyone about this. Have asked upper classman to also be on the committee for the student perspective.

Electives-looking to offer to 7-8th grade. More funds, staff, and scheduling. Building in periods during the day, one or two times a week, students can go to a teacher and be instructed in personal financial management, civics, music theory, etc. Will better prepare them for high school.

Check links on the HSA website! Update!

Christine Cabana-next meeting is Wednesday April 17th. Budge was approved by county office. 25 year plaque...honoring staff that have been here 25 plus years. New plaque in lobby.

Miss Kuhl-thank you for the book fair. nothing else to report. Marking period ends Friday.

Should be on the front of the parent portal or website.

Membership- Traci Rutt- Still doesn't have job descriptions and we need to go over what positions are available.....

Cultural Arts-Andrea Honan-Ball in the House coming on 6/14 \$2885

Hospitality-Beth Golden. Teacher appreciation starts week of 5/5...we will have a luncheon that Friday 5/10th. Luncheon cost is approximately \$700 and \$300 for dessert.

Lower Grade-Stephani-Spring Family fun night...Coastal sports- hamster balls, games, etc. May 10th Friday....waiting on price...date of 8th grade Briarcliff mixer. Field Day...June 4th or 6th...Field Day upper 4-6 June 10th, 7th grade picnic is June 3rd. Typically at RFL. Book it with Barbara Shepard. WE voted that we would give \$300. Teacher Appreciation Week...looking to do something across the board for every teacher.

Lucia 8th Grade- Yankee Candle fundraiser break down occurred between Mr. Coca and Tonianne...with how much each kid had raised. He didn't include the yankee candle amount.

They are not going to include the candle money in the trip to DC. Allotted by child. Anything that's additional are used back to kids on DC trip as spending money or an 8th grade class gift that goes to the school. Parents will say my son/daughter cannot attend DC trip..If cost of trip is \$700, they expect to get \$700 back from the school. Money goes into a communal pot. It only lowers the cost of the trip. Raised \$550 for banquet. 1,095 from Gemini productions for DJ and photobooth. RRCC is charging \$28/head. Invitations, t-shirts and decorations...54 kids in the 8th grade class. Approximately 409 made between 9 students. We will just reimburse them back the funds. Keeping the \$45 per child for 8th grade banquet.
